Hi Eric,

We have a call with OAQPS and OAR on Tuesday. We are hopeful after that call we will resolve the one remaining issue and be able to begin concurrence routing of the document. So, could we give you an update on Tuesday? If we get the go ahead at that point, then I don't think our dates are too far off.

Thanks,

Dee

Hi Dee,

We need to update the dates in ADP Tracker for the final action to better match the schedule for the NPRM. I told OAR they weren't accurate, but it would be great to update them before they pull the next report on Wednesday.

Thanks,

Eric
